

# What to Expect at Tryouts

## **I am trying to register my player but do not see the red button?**

- If you are on a computer, the register button will be above the "latest news" section on the right hand side of the screen.
- If you are on a phone or tablet, you will need to turn it horizontal in order to view the enter website and see the register button to proceed.

## **I registered online for Tryouts. Where do I go when I arrive at the fields?**

- Look for the check-in tent. You will provide the player's name and volunteers will make sure the player is registered. Players will receive a bib number to pin onto their shorts. This bib number is associated with their name, so it's important to hold onto it for the other tryout days.

## **I did not register online for Tryouts and will be walking up. What do I do?**

- From your phone, go to [www.parklandtravelsoccer.com](http://www.parklandtravelsoccer.com) and register. You will need to create a username and password with demosphere and complete the process.
- After that is complete, go to the check-in tent and tell them the player name.

## **What time do I need to arrive?**

- You should arrive 30 to 45 minutes before your tryout time. This will give you time park, check-in, get your tryout number, warm up a little and be ready when the tryout starts

## **What should my player wear?**

- Players should wear a light shirt, dark shorts, cleats and shin guards.

## **What should my player bring with them?**

- Players should bring a ball, water, cleats and shin guards.

## **What should I expect?**

- Players will go through warm up, small sided (technical) and larger group play.
- Coaches will inform your players of next steps

**Do we need to attend ALL Tryout days and sessions?**

- All players should attend as many sessions as possible.

**What happens when my player is chosen for a team?**

- When a coach invites you to join a team, you will receive an email that provides instructions on next steps.
- Each email has instructions on how to complete season registration for your player.

**When do I order my uniform?**

- Detailed info will be sent separately regarding the uniform kits if you need to order one after tryouts are complete.

**I am a returning player do I need a new uniform?**

- The club is in year 2 of our 2 year cycle, so returning players will not need to re-order unless they do not have the full kit.

**I have additional questions that I need answered. Who should I contact?**

- Please contact the club at [rlcsocceroffice@gmail.com](mailto:rlcsocceroffice@gmail.com)
